You'll have an inside advantage, working 9-5, Monday-Friday\*, building a network of contacts and developing your résumé for the future. You might be interning with a lawyer, developing marketing campaigns, shadowing a doctor, assisting a vet, or involved with high-profile industries such as sports management, finance, fashion, entertainment, research, culinary arts and more. This is your chance to explore, discover and experience professional life firsthand in a fast-paced, educational, and fun environment.
