SUMMER AT PENN

Art students choose various classes ranging from **DRAWING** and **PAINTING** to **GRAPHIC DESIGN** and **FILM**. It's a truly pre-college experience, as students prepare for college admissions and **COLLEGE LIFE** while creating a portfolio.

SUMMER AT PENN

**BASED ON THE APPROACH IN PENN'S UNDERGRADUATE PROGRAM**, students are encouraged to develop a unique creative imagination while learning specific **ARCHITECTURAL DESIGN SKILLS**. Projects are explored in the space between students' potentially boundless ideas and the limitations of contemporary design tools and the physical reality of Philadelphia's built and natural environment.

## EXPLORE THE ARTS AGES 15-18 | 4-WEEK SESSION | UNIVERSITY OF PENNSYLVANIA

**THE STUDIO EXPERIENCE** Working with **PENN FACULTY**, students experiment with different disciplines and learn new skills. The courses are similar to those offered by Penn but are sequenced and paced for the age and experience of high school students. **CLASSES ARE SMALL** to encourage close interaction between teachers and students.

**THE CAMPUS EXPERIENCE** Living and working with students from the USA and around the world, students gain a unique perspective on college life. Participants **LIVE IN PENN'S FAMOUS QUAD** in the University City District, within walking distance from dozens of restaurants, shops, recreational facilities and entertainment venues. After class, students enjoy a **VARIETY OF ON- AND OFF-CAMPUS ACTIVITIES**. Residential life is managed by Julian Krinsky Camps & Programs, a leading creator of world-class summer education experiences.

**WEEKEND TRIPS** Trips are offered every Saturday to regional destinations such as New York City, Washington, DC, Ocean City, NJ, amusement parks, and white water rafting. On Sundays, students enjoy a variety of sports and optional trips, including swimming, bowling, golf, tennis, museums, baseball games and other attractions throughout Philadelphia.
