

COMING SOON: PRODUCT AVAILABLE 2015

YOUR PHONE JUST BECAME YOUR NEW KEY.

DESCRIPTION:

The Schlage Sense™ lock is all about stylish convenience from the moment it leaves the box. The Schlage Sense™ system eliminates the hassle of fumbling around to find your keys. It also gives you the choice and flexibility of entering your home using its illuminated touchscreen or with your iPhone®.

Better yet, the Schlage Sense™ app gives you an additional layer of key-free convenience by allowing you to create and delete codes, check your lock status, see lock activity, update settings and check battery status all without paying for a monthly service charge or requiring you to connect to an existing home automation system—making it our most advanced lock ever.

FEATURES:

- **You Speak. It Listens.** Schlage Sense™ app allows you to “talk to unlock,” using Siri®
- Convenient remote access is available with a separate bridge
- Apple HomeKit Technology provides advanced security with end-to-end encryption and authentication between the Schlage Sense™ lock and your iPhone®, iPad® or iPod touch®
- Designed to work with iOS 8 by using Bluetooth™ Technology
- Built-in alarm technology senses potential door attacks
- Comes with a Grade 1 security rating, the highest on the market
- Easy to set-up and program using the Schlage Sense™ app
- Homeowner can assign codes or designate phones through the app
- No fees or subscriptions
- Lock holds up to 30 users at a time
