

LIFE PRESERVER INFLATABLE

LPU - 21 E/P

Life Preserver, Yoke LPU-21 E/P

S-2450-1

- Designed as a constant wear item in conjunction with various survival vests for US Navy and Marine personnel in Helo and fixed-wing aircraft.
- Improved features over the LPU-21 D/P are zipper vs. Velcro® closures, hi-vis yellow bladders, lower profile and lighter weight.
- Weighs less than 4 lbs. and provides 65 lbs. of buoyancy.
- Manual inflation with beaded handles activating two 35 gram CO₂ cylinders. Nomex outer casing.
- Two independent, Hi-Vis yellow, flotation chambers consisting of a waist lobe and alternate side collar lobe for maximum auto-rotation in the water. Oral inflation valves allow for topping off or secondary inflation means.
- LPU-23 D/P (S-2450-2) is for use in ejection seat applications configured with the FLU-8 automatic inflators (not supplied).
