Dear Mike,

I am writing to thank the Vancouver Police Department, your Sonitrol monitoring staff and the 911 operators for their great work and contributions to catching 5 vandals who broke into our Arbutus Ridge site just after 2:00 AM this morning.

The outstanding teamwork and coordination in apprehending these people is invaluable to our operation and our ability to complete this project on time. Your monitoring staff detected the intruders the moment they entered our site and stayed on the line with the VPD and 911 operators until the responding officers arrived and apprehended these idiots!

Again, a huge Thank You to the VPD, the 911 operators and your Sonitrol team for their outstanding work.

Yours Sincerely,

Alex Putrenko
