

Astro's Kitchen & Bath Services

Whether you're looking for accents and accessories or a complete renovation the Astro Design Centre can provide you with creative and unique options for your kitchen and bathroom projects. Top quality brands, exclusive lines, professional service and seamless integration all come together with stunning results and exceptional value at Astro.

Our Services

1. Book a free in-store consultation

Astro offers free in-store consultations with one of our professional designers whose wealth of knowledge and experience is available to you. All initial consultations must take place in-store to take advantage of everything our showroom has to offer. All subsequent consultations take place in-store unless requested otherwise for a minimal fee.

2. Site Assessment (If Requested)

Your Designer and the Project Coordinator will come to your home to assess the space and will take or verify measurements.

This service carries a fee of \$150.

3. Requested On-Site Consultations

Consultations can be requested by you with your Designer outside of Astro to discuss any elements of your project.

This on-site consultation service carries a fee of \$125/hour, with a 1 hour minimum.

4. Installation

Astro has a team of qualified and professional installers that will install your custom millwork, countertops and glass. To assist in all other aspects of your renovation, Astro has a preferred team of contractors we will happily recommend.

Installation of custom items by Astro is included in the price quoted to you.

Any work done by an independent contractor will be quoted separately.

Explore the possibilities with top designers in planning your dream space!
