The recertification program includes 8-weeks of access to the CLASS Video Library, practice clips, and the reliability test. Users must complete their testing within these 8-weeks and have three opportunities to pass the test. Please note that recertifying Affiliate CLASS Trainers have a two part test and must complete the knowledge test after passing reliability. Participants who do not complete testing within the 8-week testing window will need to attend another CLASS training.

Cost for recertification: Observer \$100 - Trainer \$275
