

Beach Hut Deli Names HR Allen Consulting Services as a Franchise Payroll Provider

HR Allen Consulting Services announces a new payroll partnership with Beach Hut Deli.

Citrus Heights, CA – January 3, 2011 – Local Deli franchise, Beach Hut Deli, announces partnership with HR Allen Consulting Services, a local full-service HR management and payroll provider. Due to the growth of Beach Hut Deli, their decision to partner with HR Allen Consulting Services was based on HR Allen Consulting Service’s ability to provide great customer service, offer better services and improve their profitability.

“I chose HR Allen Consulting Services as our preferred vendor for two reasons: HR Allen’s excellent client services and their ability to offer better payroll service options without higher fees. We are looking for a company that could meet the needs of our franchisees as our company continues to grow; HR Allen Consulting Services has provided a long term solution. HR Allen offered great rates along with excellent service, creating amazing value and savings to our franchisees,” says Troy Feist, Founder.

HR Allen Consulting Services specializes in human resources and payroll processing for franchise organizations and small and mid-level companies. Our experience of franchise payroll programs has resulted in multiple accounts.

Beach Hut Deli offers quality and completely fresh delectable sandwiches throughout Northern California and Reno. Offering its customers a fun, relaxing home-away-from-home environment where they can hangout and “chill”.
