

# TPA PARTNER: DISCOVERY BENEFITS

## Summary

- › Discovery Benefits is one of our chosen providers for Section 125 products including HSA/FSA/HRA accounts and commuter benefits for employer groups.

## How It Works

- › Discovery's Section 125 products are available for election within the Maxwell shopping experience, and the integration passes enrollment data and ongoing changes to Discovery
- › Discovery Benefits...
  - Allows streamlined management of claim submissions
  - Provides unique visibility and reach across the complete health savings value chain
  - Allows for easy uploading of claims documentation
  - Provides enhanced employer dashboards
  - Offers healthcare payment (debit) card with multi-account capabilities
  - Fund custodian is HealthCare Bank

## Employee Experience

- › During the shopping experience, employees can see all eligible Discovery Benefits plans, make their election, and check out with the amount they selected
- › After open enrollment ends, Maxwell automatically sends enrollment data for employees to Discovery Benefits via our integration
- › If applicable, employees will receive their co-branded debit cards from Discovery Benefits in the mail, or alternatively, receive information from Discovery about how they will be reimbursed every time they need to use their account to pay for medical expenses

## Key Benefits of Using Discovery Benefits

- › Eliminates HR burden
- › Increases corporate benefits savings with communications proven to deliver enrollment results

- › Provides built-in flexibility to grow with the group through regulatory, banking, and health plan changes
- › Offers customer service 24 hours a day, 7 days a week
