

PROFIT SHARING?

Stay on top of every drop and safeguard your assets.

Scannabar's patented liquor-inventory control system allows you to monitor every ounce of every bottle you buy, from the moment it's received to the moment that last drop is consumed.

Fast, accurate and easy to use, the **Scannabar** system allows you to reduce costs and even increase sales revenue by keeping a close eye on every ounce of your liquid assets.

For more information on how we can better your bottom line, call us toll-free at:

WHAT CAN **SCANNABAR** DO FOR YOUR BUSINESS?

1. Give you the assurance that every bottle of liquor, wine and beer that is received is actually being placed into your inventory.
2. Keep track of the movement of your bottles from your central storage area to an unlimited number of fixed, seasonal, portable and banquet bars.
3. A perpetual, real time inventory control system that will help you take money saving decisions and run a profitable business.

**Scannabar offers you total control
without sacrificing a customer favorite:**
