

How financing benefits you!!

Lessee Benefits of Leasing

- Conserve your credit lines and working capital
- Increases purchasing power – get a better equipment solution and still pay less up front than making a cash purchase
- Fixed monthly payments – unlike loans and credit cards, your payment will not vary with interest rate changes
- Minimal upfront cost – first payment
- Overcomes budget restrictions
- Improves cash flow management, AKA “Liquidity”
- Protects against obsolescence – call LCA to upgrade
- Let the ROI (return on investment) of your equipment solution help pay for itself
- Possible tax benefits under Tax Section 179
- \$1 purchase option allows you to own the equipment solution at lease end

6 Easy Steps

Step 1 – Equipment or Product Needed

- Choose the equipment or product and request term for your lease. (12/24/36/48/60 months)

Step 2 – Application

- Complete and sign the LCA application and fax or email to LCA @ 800.736.0218 or kreynolds@leasecorp.com.

Step 3 – Approval

- LCA notifies you of approval or if additional information is required within 2-4 hours.
- Once you are approved, Mattei will fax or email LCA an invoice for the equipment or product that is being sold so LCA can create the lease documents.
- Fax invoice to 800.736.0218 or email invoice to kreynolds@leasecorp.com
- Invoice must show: “sold to” the customer’s name and address, list all products being leased with serial numbers and the total amount of sale.

Step 4 – Documents

- LCA overnights or emails the lease documents to the customer for the approval and signature.
- After the documents have been signed, they should be returned by the customer to LCA.
- LCA will notify you when they are in receipt of the signed documents.
- Send to: Lease Corporation of America
3150 Livernois Road, Suite 300, Troy, MI 48083

Step 5 – Order Ship

- Upon receipt of a purchase order from LCA, you will ship the equipment to the customer.

Step 6 – Lease Initiates

- After LCA has received the signed documents and verified all required items, including certification that your customer has accepted the product or equipment, LCA will fund you within 48 hours.
- Payment will be made to your account via ACH.
