

VALUE ADDED SERVICES

Enrollment Tools

Our tools will make enrolling your employees into your new commuter benefits program a breeze. This enrollment package includes:

- The standard Best Practices Launch Guide
- An employee sign-up guide based on your specific program offerings
- A FAQ page featuring popular questions employees typically ask regarding commuter benefits

Commuter Check Direct®

Signing up for your company's new commuter benefit program is that easy!
Learn how to register and order your products through our Commuter Check Direct online platform for all your commuting needs.

Public Transportation

Train • Vanpool • Light Rail
Ferry & Boat • Bus
Commuter Rail • Shuttle Bus

Step 1: Visit www.commutercheckdirect.com and log in with the user information provided by your HR department.

Step 2: Mouse over "Place an Order" select Transit or Vanpool to get started.

Step 3: To the right is a list of pre-populated transit authorities based on your delivery address zip code. Select the radio button next to the transit authority of your choice to continue. If you are unsure which product is best for you, please visit www.commutercheck.com to learn more.

Step 4: Finally, after selecting the product you need for your commute be sure to select recurring options for your product and check out.

Step 5: You're done! Your product will be sent to your delivery address and you will receive update emails with information regarding its expected shipping date.

Your employer will cover up to \$65 of your monthly transit expense

Parking

Step 1: Visit www.commutercheckdirect.com and log in with the user information provided by your HR department.

Step 2: Mouse over "Place an Order" select parking to get started.

Step 3: Choose from either Commuter Check for Parking or Monthly Direct Pay. Choosing either option will present you with a pre-populated list of parking providers in your area based on your office zip code. Just chose your parking provider, enter the amount you would like deducted pre-tax, set your recurring options and your done.

Step 4: Your product that you selected will be fulfilled accordingly.

Bicycling

Step 1: Visit www.commutercheckdirect.com and log in with the user information provided by your HR department.

Step 2: Mouse over "Place an Order" and select Biking to get started.

Step 3: Select the radio button next to Commuter Check for Bicycling.

Step 4: We have pre-populated Bike Shops in your area based on your office zip code. Simply choose your bike shop, select the voucher amount, your recurring option and your done!

Step 5: Your product will be delivered to your delivery address and you will receive emails with information regarding its expected shipping date.

Marketing Materials

A successful commuter benefits program requires ongoing marketing, education, and awareness efforts. We offer a plethora of marketing materials, customizable to your own marketing campaign, to help your commuter benefits program keep momentum.

We can provide you with the following to enhance your marketing efforts and program participation:

- Promotional posters
- Brochures
- Pamphlets
