## Goodwill Gift Card Incentive Guidelines

The Goodwill Workforce Connection Centers will have a weekly drawing for a **\$40.00** gift card from the Goodwill Retail Stores beginning January first 2014. The Centers will no longer be issuing a variety of gift cards to every qualified client who finds employment. Winners of the drawings will be contacted with instructions on how to claim a gift card. Please see the Gift Card Guidelines below for details. Thank you!

### **There are three ways to enter the drawing and report your success !**

- ☐ A pdf form, located at [www.goodwillsew.com](http://www.goodwillsew.com)
- ☐ Tell a center representative and complete the necessary form
- ☐ Use a center computer

### **Proof of Employment**

Upon winning you must provide information to a center manager for validation such as:

- ☐ A current payroll check stub with your name on it
- ☐ An employee I.D. badge
- ☐ An insurance card containing employer information

### **Qualifications**

No cards will be issued without the following and approved by a center manager.

- ☐ The job must be obtained this year (no exceptions!)
- ☐ You became a registered client with the Center before you were hired
- ☐ You received services from us before you were hired

### **Goodwill Gift Card Policy**

- ☐ Goodwill training programs (paid or unpaid) do not qualify for the gift card incentive.

**\*\*Your information will not be shared with anyone outside of Goodwill Industries\*\***  
*(Amount and availability of the gift cards are subject to change)*
