

LET'S GO AERO
Gear Management Solutions™

ARCHAUS™ TECHNOLOGY & FEATURES

- Walk-in, walk-out tent shelter: 10'L x 6'W x 6'6"H
- Modular arc design with zippered door panels let you adapt to varying conditions and logistical needs in the outdoors.
 - **Full Enclosure** - Two zip-on panels provide full enclosure with large screens for great views
 - **Sun Shade Canopy** - Remove one or both door panels and use as a sun shade or bridge shelter while enjoying protection from the elements and inherent privacy
 - **Car Port Enclosure** - Tailgate zip-on panel with elastic sleeve and clipped straps provide vehicle connectivity *(see tailgate models)*
- Highest quality waterproof material is 2,000 mm PU, 185 ripstop
- Lightweight and easy to set up

**ArcHaus™ modular enclosure
for living shelter, gear storage,
and vehicle tailgate camping**
