## CIRALIGHT SUNTRACKER DAYLIGHTING SYSTEM

### **MANUFACTURER’S LIMITED WARRANTY**

Ciralight Global, Inc. (“CGI”), is pleased to offer a limited warranty on the Ciralight SunTracker products as more specifically outlined below (“**Products**”). Ciralight Global, Inc. warrants its products and parts against defects in, materials, workmanship including failure to operate within its indicated specifications i.e. failure of its mirrors to face the sun at +/- 10 degrees at any time during daylight. In addition, CGI warrants the SunTracker against leaking as part of the Dome warranty provided that the lightwells and curbs, if not acquired from CGI, meet with CGI’s approval, and further provided that the products are installed in accordance with CGI’s written installation manual and specifications. The parts under warranty and details thereof are as follows:

<b><u>Part Description</u></b>	<b><u>Types of Warranty</u></b>	<b><u>Duration</u></b>
Acrylic Dome & Frame	Manufacturer's Defect	10 years
Mirror Assembly	Manufacturer's Defect	10 years
GPS Controller	Manufacturer's Defect	10 years
Flat Diffuser Lens	Manufacturer's Defect	10 years
Bottom Diffuser Lens	Manufacturer's Defect	10 years

Ciralight Global, Inc. will repair or replace (at its option) any product and/or any of its parts, or, at CGI’ selection, give credit for the original purchase price. Any such repair or replacement shall be made by CGI, within 60 (sixty) days of the receipt from the Distributor or the end user of notification and description of the defect and prompt verification thereof by CGI or for valid claims made under Warranty, CGI shall bear all normal transportation and/or shipment costs from and to the Distributor or the customer, as the case may be, including but not limited to costs of installation of the replaced product, or its parts, at the facilities of the Distributor or the end user whichever applies. CGI’s obligation under this warranty is limited to the repair or replacement cost of the product or component and on-site labor to repair or replace any product or component at reasonable and customary labor rates, not to exceed its pre-established labor rates.

Each of the warranty periods set forth above commences on the date the Product has been shipped by CGI.

In the event the seal to the GPS Controller Unit case is broken, the warranty on the GPS Controller Unit is void.

This warranty does not apply to repairs, roof leakage, or replacements necessitated by any cause beyond the control of CGI, including, but not limited to, any malfunction, defect or failure caused by or resulting from unauthorized service of parts, improper installation or maintenance, operation contrary to furnished instructions, shipping or transit accidents, modification or repair by the user, abuse, misuse, neglect, accident, fire, flood, or other Acts of God or beyond the control of CGI.

In no event shall CGI be liable for any consequential damages arising from ownership, installation or use of this product, or any delay in the performance of its obligations under this warranty due to circumstances beyond its control. At CGI's option, Customer shall return replaced components to CGI at CGI's expense within 15 days of receipt of the new part or the Customer shall be responsible for payment of the replacement part.

If any Product is proven not to have met the Initial Warranty on Ciralight Global's shipment date or the Long-Term Warranty during the Warranty Period, then the buyer's **exclusive remedy**, and Ciralight Global's sole obligation, will be, at Ciralight Global's option, to replace that Product quantity or refund the applicable purchase price.

CIRALIGHT GLOBAL WILL NOT UNDER ANY CIRCUMSTANCES BE LIABLE TO A BUYER FOR DIRECT (other than the Limited Remedy stated above), SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS) IN ANY WAY RELATED TO A PRODUCT, THIS PRODUCT BULLETIN, OR OTHER PRODUCT INFORMATION, REGARDLESS OF THE LEGAL OR EQUITABLE THEORY ON WHICH SUCH DAMAGES ARE SOUGHT.
