## **Jackson Therapy Partners Ends 2009 with Record Growth**

*Therapy staffing company's extensive and prestigious client list gives speech-language pathologists, physical therapists and occupational therapists access to the most in-demand jobs in more than 100,000+ facilities across the U.S.*

**Atlanta, Georgia-** February 3, 2010, (PRWeb) – Jackson Therapy Partners, America's largest therapy-focused staffing company, ended 2009 with significant growth and market expansion:

- Increased profitability by approximately 40 percent
- Increased number of therapy job placements by more than 35 percent year-over-year
- Grew its client base by nearly 25 percent, adding 150 new healthcare organization clients
- Increased net income by 56 percent year-over-year

Jackson Therapy Partners' client list, which gives its therapists access to jobs at more than 100,000 facilities, includes top-ranked organizations recognized by *U.S. News and World Report's* "Best Hospitals" lists, as well as some of the nation's best employers recognized by *Fortune*. Through differentiators such as its prestigious client list, commitment to customer service excellence and the industry's best pay and benefits packages, the company has steadily grown its database of top-quality therapists while also gaining healthcare organization clients. In particular, Jackson Therapy Partners continued to expand its global presence during 2009, increasing its team of international physical and occupational therapists by 500 percent.

"Through our core values and superior pay and benefits, Jackson Therapy Partners attracts and retains the best therapists – the talent sought by top-ranked healthcare organizations," says Scott L'Heureux, president of Jackson Therapy Partners. "In turn, our therapists have access to a wide variety of in-demand jobs across the U.S., enabling every one of our therapists to find the perfect opportunity. It's a win-win situation for all parties." L'Heureux also cites a 2009 survey of JTP therapists that indicated 99 percent of respondents were highly satisfied with the company and would gladly work with JTP in the future.

Jackson Therapy Partners is part of Jackson Healthcare, a family of companies that serve more than three million patients in nearly 1,000 hospitals each year by providing clinician staffing, anesthesia management, hospital management and healthcare information technology solutions.
