# Agriculture Services

## Your partner for growth and success!

### We Know Agribusiness

Echelbarger, Himebaugh, Tamm & Co., PC's (EHTC) **Agriculture Practice Group** provides customized services to a wide variety of closely-held agriculture businesses and family-owned farms.

We provide guidance on complex tax planning strategies for farmers, taking maximum advantage of available tax benefits. We also provide operational consulting, assistance securing business financing, and meeting with financial institutions to help with financial statement requirements and other covenants.

### Trained and Knowledgeable Staff

Our regular attendance at national conferences and seminars allows us to proactively identify and recommend appropriate strategies to save you money.

Our Agriculture Practice Group is made up of professionals trained and focused on your industry and dedicated to consistently providing innovative, creative and practical solutions to the issues you face day to day.

### Frequent Contact Throughout the Year

Our dedicated team and resources are accessible to offer proactive insights throughout the year regarding your operational, accounting and tax issues.

### Value-Added Services

In addition to our agriculture services, EHTC provides traditional and specialized tax services. We have experience in corporate restructuring, forensic accounting, litigation support and business valuations. We will help you take advantage of the incentives and deductions you are entitled to, maximizing the benefits of energy tax credits, research and development (R&D) expenditures, and cost segregation for the construction, acquisition, or improvement of real property. We also offer estate tax and succession planning.

### Local Firm with Worldwide Resources

EHTC provides the responsive, flexible and affordable services you expect from a local firm combined with the technical resources you find at a larger firm. As an independent member of the BDO Alliance USA, we have access to a global network of 1,082 offices in 119 countries.

EHTC has been locally owned and operated in Grand Rapids since 1977. We are dedicated to the markets we serve and understand the unique struggles that the Michigan farming industry faces. We deliver an attentive local presence that responds quickly to the needs and concerns of our clients.
