

MORE THAN STANDARD CPA Services

EHTC's Healthcare Services Group is supported by a highly-qualified team of accounting and tax professionals who can assist your practice with:

- Minimizing taxes and enhancing net worth
- Navigating through changing state and local tax regulations
- Tax abatements
- Federal, state and local tax compliance
- Personnel recruiting and evaluation services
- Analyzing employee benefit plans
- Personal financial planning
 - College funding
 - Cash flow management
 - Insurance
 - Investments
 - Retirement planning
- Estate planning
- Cost segregation studies

*The power to make a difference.
The people to make it count.™*

About US

Margie Gerencer, CPA

Dave Echelbarger, CPA

EHTC has served the healthcare industry since 1977. Our team of healthcare specialists is led by a shareholder dedicated to the healthcare industry. Our team has the healthcare experience and expertise you need to be successful. We speak your language.

Our team members are actively involved both locally and nationally in the Medical Group Management Association (MGMA, MMGMA), the West Michigan Estate Planning Council, Alliance for Health, MACPA and AICPA, and the BDO Seidman Alliance.

Advisors You Can Trust

Advisors who specialize in healthcare save you time and money. Our staff realizes the business of healthcare is constantly and rapidly changing. You can rely on our expert team for high-quality service, integrity, and innovation when we help solve the challenges you face.

EHTC's customers have benefited from our creative and timely healthcare-specific services for more than thirty years.

“... the staff at EHTC have been providing top quality accounting services for our corporation for over 25 years. They provide competent accounting documents in a timely fashion and are always available to answer questions. They are our go to business consultants. Prior to making important business decisions we frequently ask them for a detailed analysis and recommendation. With over 25 years of service we are obviously pleased with their advice.”
