### Did You Know ...

Parrots are one of the smartest species of birds.

... Some parrot species can live up to 80 years.

... Parrots kept in the wild aren't mimics of human speech, only parrots kept as pets.

... The African Grey parrot is the best mimic of human speech.

## Farewell Anne

Ms. Anne and Myra

Dear Anne,  
We wish you the best in all of your endeavors; you were a wonderful person and we hope all is well with you. Make sure to come visit us. Good luck, farewell, and we hope you are

on to bigger and better things.  
Your Hope Family

### A Poem for Anne

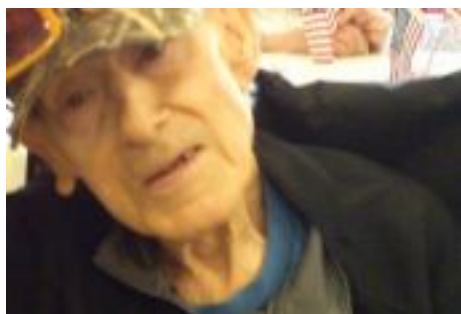

We bid you farewell  
Not out of a mere formality  
But because you'll be missed  
By each one of us dearly  
We hate to say goodbye  
And see you go elsewhere  
Don't forget to think of us  
When you have a moment

spare

Please also remember that  
We're just a phone call away  
You can always call us when  
You are having a bad day  
Goodbye

*Let's also congratulate Rachael  
and Tammy who will be taking  
her place.*

## With Sympathy

With the deepest sympathy I'd like to say rest in paradise, Jackie Joe. You were an amazing man and a force to be reckoned with. We at Hope will miss everything about you, from your country accent, to your great, but very outrageous, singing.

You made us laugh just by your amazing presence alone. You are a true blue country boy and you will truly be missed by all of us here at Hope. With a heavy heart I say rest in paradise.

A light from our family is gone, A voice we loved is stilled. A place is vacant in the home, which can never be filled. We have to mourn the loss of one we would've loved to keep, but God who surely loved him best has finally made him sleep. After a lifetime of his love and joy, and music to fill our ears, God leaves these wondrous memories to help us through our tears.

## Fun Facts

### Fun Fat Tuesday Facts

- **MARDI GRAS IS ALWAYS THE TUESDAY BEFORE ASH WEDNESDAY**

Mardi Gras means "Fat Tuesday" in French. With Ash Wednesday marking the beginning of Lent, a 40 day period of fasting before Easter, Mardi Gras is the "last hurrah" of sorts, with participants indulging in their favorite fatty foods and drinks before giving them up.

- **THE OFFICIAL COLORS OF MARDI GRAS ARE PURPLE, GOLD, AND GREEN**

Purple signifies justice, gold means power, and green stands for faith.

- **KING'S CAKE IS EATEN ALL THROUGHOUT CARNIVAL SEASON**

King's cake (or three kings cake), is eaten throughout the world during carnival season. In the US, it is traditionally purple, green, and gold, with a trinket baby Jesus inside. Whoever gets the baby Jesus is said to have good luck all year!
