

jimJackson!
**takes the measure
of your company and
inspires your people to
achieve better results.**

Your Industry. Your Location. Your Challenges.

The jimJackson! Difference:

- Jim **INVESTS** the time to get to know your business
- Jim **BUILDS** a presentation around the issues you want to address
- Jim **CUSTOMIZES** presentations to your group
- Jim **DELIVERS** only the solutions that fit your individual needs

For 30 years, Jim Jackson has been a performance coach to leaders, businesses and teams.

As a motivational expert, he inspires people to take risks and enables them to outperform expectations.

Jim teaches audiences how to maximize performance in any business environment and stay on top – no matter the challenges.

YES!

Jim's powerful and unique presentations educate, entertain and motivate your group to achieve optimal performance by encouraging participants to identify the answers to these challenges:

- **What do I do differently?**
- **How do I take advantage of the resources in front of me?**
- **How do I get more from everyone in the company?**
- **How do I get 8 out of 7?**

About Jim

Jim Jackson is a performance coach, motivational expert and teacher. He is president of Action IQ and the Temecula Creek Learning Center, a corporate team-building and leadership development facility. Jim is an expert in experiential learning and has been the lead performance coach since 1994.
