

Fluke Networks LinkWare™ Live

Copper/Fiber Cable Testing and Certification Management Service

Join Accu-Tech as we partner with Fluke Networks to bring you LinkWare™ Live, a Software as a Service (SaaS) offering that provides unmatched visibility and control for copper and fiber certification projects. Guests will have the opportunity to try out testers and find out more about this and other innovative Fluke solutions!

April 8, 2015
10:30am-2:00pm
Lunch will be served

Accu-Tech
7025 South Revere Parkway, Suite 300 Centennial, CO
(720) 460-3400
