

The Speakers

Kris Mastrangelo, OTR, MBA, NHA is President and CEO of Harmony Healthcare International, a premier consulting firm specializing in **Medicare, Therapy, PPS, MDS, MMQ and Medicaid consulting services**. Kris has more than 20 years of experience in the long-term care industry. Her experience includes the development and presentation of training modules (clinical, financial, operational and reimbursement) for large healthcare corporations, implementation of in-house rehabilitation programs, management of Medicare and Medicaid cost reporting, change of ownership applications, budgeting, skilled nursing facility clinical and financial analysis along with vendor contracting.

Today, Kris owns and operates a national consulting firm which provides on-site auditing of the MDS and associated medical records. This process directly enhances the facility's reimbursement and all areas for system and program development. Her leadership and vision have helped Harmony Healthcare become one of the most recognized and trusted consulting companies in the long term care industry.

Elisa Bovee MS OTR/L is the Vice President of Operations for Harmony Healthcare. She has been working in the long-term care industry for over 18 years practicing and providing consulting services related to therapy services and Medicare regulations and guidelines. In 2003, Elisa began working for Harmony Healthcare as a Regional Consultant. After three years she transitioned into the Director of Education and Training role.

Keri Hart, MS CCC-SLP, RAC-CT, is the Director of Operations for Harmony Healthcare. Keri has more than 18 years of experience in the long-term care industry. Keri has AANAC RAC-CT certification, and a clinical specialty in dysphagia and treatment of non-traditional patients. Her long-term care experience includes multi-facility management, clinical reimbursement and mock survey consulting as well as corporate management. Her experience includes MDS, Case Mix, MMQ, Admissions and Rehabilitation services.

Jen Pettis, RN, WCC, RAC-MT is an Instructor and Regional Consultant for Harmony Healthcare International. Jen is a Master Teacher for AANAC's resident assessment coordinator-certified (RAC-CT) program, Certified Nurse Executive (CN-E) program and Medicare University. Jen has held various roles in healthcare for more than 20 years and has extensive clinical and management experience. She has authored numerous articles related to long term care and has presented sessions at various state and national long-term care conferences.

**HARMONY MDS 3.0 INTENSIVE
TRAINING COURSE
AND
AANAC RAC-CT PROGRAM**

Harmony offers these **TWO** great courses at multiple locations throughout the US. Our Trainers offer the most up-to-date cutting edge information about the new MDS 3.0 assessment tool as well as RUG-IV and Hybrid RUG-III. CMS made extensive changes to the Minimum Data Set with significant impacts to Medicare Part A and Case Mix reimbursement systems.

Learners are provided a comprehensive review of the **Minimum Data Set 3.0** from a Regulatory and PPS perspective.

Detailed discussion of the **Hybrid RUG-III and RUG-IV grouper** including the specific level criteria in relation to the rate of reimbursement. This program will discuss MDS 3.0 strategies, ADL coding, OMRA Changes, Therapy mode of delivery, ARD management and MORE!

Learn accurate MDS 3.0 coding tips to receive accurate payment under the Medicare Part A program.

CONTACT HOURS: Harmony Healthcare International is an approved provider of continuing nursing education by the Massachusetts Association of Registered Nurses, Inc., an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
