

The Treasure of The Six Traits

The Treasure of the Six Traits helps students identify and implement the 6+1 Traits of Writing method through a creative and entertaining presentation.

Many schools will be familiar with The 6+1 Traits of Writing:

- Ideas
- Organization
- Voice
- Word Choice
- Sentence Fluency
- Conventions
- Presentation

This system is a popular teaching style in many schools across the country. Now we can offer the perfect school show to support and augment this great teaching system.

The Treasure of The Six Traits is 45 minutes of adventure and fun-filled writing where the audience helps to build a story.

Our goal is to give K-6 students fresh ideas to keep them interested in becoming better writers.

Students are encouraged to write a story the same day of the program using details from the show itself. This helps to reinforce the learned materials.
