We practice painless and smooth EMR selection & implementation

We'll help you get your \$44,000 to \$64,000 Stimulus Payments
ePrescribing & PQRI Payments, *PLUS*

≈ At no cost to you we will ≈

- * Assist in selecting the 'best-fit' fully integrated Certified EMR Software for your busy Practice
- * Assess each Physicians' specialty, style, preferences, and plan a transition that compliments your workflow
- * Screen dozens of EMRs and create a short list of Certified EMRs that meet your needs
- * Set-up Free Demos and meetings with recommended Certified EMR Vendors
- * Pre-Negotiate deep discounted pricing that is much lower than dealing directly with Vendors yourself
- * Ensure integrated ePrescribing & PQRI reporting for Incentive Payments
- * Address Meaningful-Use Standards so each eligible Provider qualifies for Stimulus Incentive Payments
- * Ensure integrated Insurance Billing, Coding, Tracking, Payment Posting, and reducing Aging A/R & Write-offs
- * Ensure 'true' bi-directional interface with Labs, Imaging Centers, Hospitals, Medical Devices, and Faxing
- * Address seeing patients & charting if your network or internet goes down or without off-site internet access + Disaster recovery
- * Provide oversight during your EMR set-up, training, and "go-live" (Project Managers, Trainers, IT, Network, Hardware, Software, Dragon)
- * Ensure good Customer Service & on-going Technical Support (Maintenance Agreements)
- * Design and Host a Free Medical Practice Web Site with optional Patient Portal (go-to www.FreeMedicalWebsites.us)
