Your Online Portfolio Access

Account View Benefits at a Glance

Providing you with Account View is one way we are committed to help you pursue your financial goals. Accessed from your **computer, tablet** or **smartphone**, Account View provides your secure, convenient, 24-hour online access to your investment account information.

To access Account View, visit www.myaccountviewonline.com

From the home page, you have easy access to your account portfolio, quotes, market performance, news and the following additional highlights:

- 1 Your total portfolio value and any changes in value that occurred during the day
- 2 The ability to go green – mailings of statements and trade confirmations are eliminated
- 3 Financial information you can export for further analysis or tracking
- 4 A pie chart that displays how your investments are allocated
- 5 A graph that presents the growth of your portfolio over a specified period of time (e.g., the current year-to-date, all available time frames, the last 12 months, previous year or custom time frame).

The examples shown are for illustrative purposes only and do not represent an actual account view summary.

Choose Your Experience

Account View offers simple navigation through accounts, positions, transactions and statements for an intuitive, clear experience.

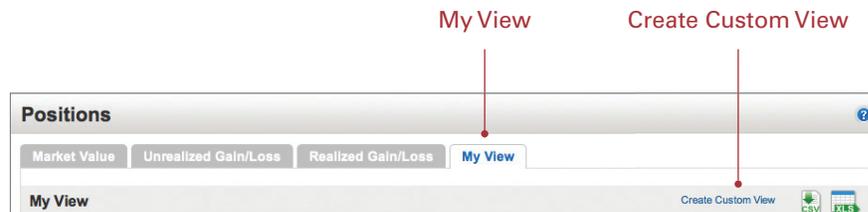

Accounts

For one or all of your accounts, you can view the asset allocation, value over a set period of time, balances and margin details.

Positions

View all positions, their market value, gain and loss details. Select any symbol or CUSIP number to view current market data. Select the My View tab and Create Custom View to select additional details you would like displayed.

Transactions

The last two years of transactions are viewable and can be downloaded. Use the filter options to select specific time frames and transaction types to limit your search results.

Statements

View your statements, tax documents and trade confirmations. You can easily go paperless on your statements and trade confirmations.

Save and Simplify by Going Green

Do you want to reduce the amount of mail you receive? Account View offers you a simple way with the option to participate in the eco-conscious effort of turning off your paper statements and trade confirmations. In addition to the environmental benefits of going paperless, you can organize and simplify your life by eliminating clutter and unnecessary mail. Rest easy knowing that your information can be found securely in Account View.

- **Convenient.** Easy and fast access to your statements with the ability to save and print.
- **Green.** Play your part in the effort to protect the environment.
- **Simple.** All it takes is one click.
- **Organized.** No longer a need to store and file your paper statements.
- **Safe.** Advanced security protects you from the possibility of mail fraud and identity theft.

To sign up, click on the **Go Green Meter** on the homepage or go to the Statements tab and click on **Go Paperless**.

The screenshot shows a web browser window with the title "Settings". The page header includes "Welcome Robert", "Portfolio Value: \$1,194,517.97 ▲ \$0.05", and navigation links for "Messages", "Settings", "Help", and "Logout". The main content area is titled "Account View" and has a navigation bar with tabs for "Home", "Accounts", "Positions", "Transactions", "Statements", "My Documents", and "WealthVision". The "Settings" section is active, showing "Go Paperless" and "My Settings" tabs. A message states: "You are 50% green. Click the 'Go 100% Green' button to stop mail delivery of all your statements." Below this is a "Go 100% Green" button and "Expand All", "Collapse All", and "Reset" links. A table allows users to manage paperless settings for different account types. The table has columns for "Statement Type", "Send Notices To", and "Additional Recipients".

Statement Type	Send Notices To	Additional Recipients
Brokerage Statements		
<input type="checkbox"/> XXXX-4820 Ed's Account	test.account@lpl.com	
<input checked="" type="checkbox"/> XXXX-0718 John and Jenn's Account	test.account@lpl.com	
<input type="checkbox"/> XXXX-3368 Leslie's Account	test.account@lpl.com	
Trade Confirmations		
<input checked="" type="checkbox"/> XXXX-4820 Ed's Account	test.account@lpl.com	
<input type="checkbox"/> XXXX-0718 John and Jenn's Account	test.account@lpl.com	
<input checked="" type="checkbox"/> XXXX-3368 Leslie's Account	test.account@lpl.com	

At the bottom right of the table are "Cancel" and "Save" buttons. The footer contains the text "Account View" and a disclaimer: "Securities and Advisory services offered through LPL Financial, member FINRA/SIPC, a Registered Investment Advisor. How do I reset my password?

From the Account View login screen select **Forgot Password?** Enter your username and select **Continue**. An email will be sent to your email address on file, from noreply.myaccountviewonline@lpl.com, with instructions on how to complete the password reset process.

I've locked myself out of Account View. What should I do?

To unlock your account without changing your password, contact our office. Otherwise, follow the password reset instructions above.

How do I add another email address to receive notifications pertaining to my statements?

From the Go Paperless screen, select the dropdown arrow located to the right of the statement you would like to edit the recipients on. Select **Add Recipient**, enter the email address you would like to add and select **OK**. Please note: recipients will receive notifications informing them that a new statement is ready to be viewed, but you must access Account View to view the actual statement.

The system says an email was sent to me, but I haven't received the email. What should I do?

Check your spam and junk folders to ensure the emails are not there. Add noreply.myaccountviewonline@lpl.com to your contact list or address book to ensure receipt of all emails going forward.

What versions of Quicken does the system support?

Compatible with all versions of Quicken since 2011.

How much information will Quicken download?

Your first download will default to inception to date. Subsequent downloads will allow you to change the date range.
