

Dimplex®

Better solutions through innovation

Opti-myst Cassette

Also available in rocks:
DFI400RH

Water reservoir

Revolutionary ultrasonic technology is used to create the flame and smoke effect of the Dimplex Opti-myst. As the mist rises up through the logs, the light reflects against the water molecules creating a convincing illusion of flames and smoke. The result is an appearance so authentic it will be mistaken for a true wood-burning fire.

120 Volt / 200 Watt / 682 BTU

Features

- Flame**
Revolutionary ultrasonic technology produces a fine mist to create the illusion of flames and smoke.
- Media Bed Options**
Choose from logs molded from actual wood for incredible realism or white rocks for a contemporary effect.
- Easy Fill Water Reservoir**
Offers 12-14 hours of continuous operation before refilling.
- Safe**
Completely safe, with no flame heat or emissions.
- Economical**
Economical to operate. Costing only pennies per hour.*
- Green**
The green alternative. No harmful particulates or emissions and 100% efficient. Produces 90% less carbon dioxide than an average direct vent gas fireplace.
- Instant Ambiance**
Plugs into any standard household outlet.
- Quick Assembly**
Sets up in minutes with step-by-step assembly instructions allowing you more time to enjoy your fireplace.
- Remote**
Includes a convenient remote control for ease of use at your fingertips.

* Based on national average residential electricity rate. Rates vary.
