Better solutions through innovation

Martindale Fireplace Package

GDS30-1150E

Features

- 
Flame
 A blend of technology, artistry and craftsmanship – the patented Dimplex flame technology creates the illusion of a true fire.
- 
Inner Glow Logs
 Pulsating embers glow from within the realistic, hand crafted logs.
- 
Supplemental Heat
 Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central thermostat temperature and cut your heating costs!
- 
Thermostat
 Includes a thermostat controlled fan-forced heater to ensure consistent comfort.
- 
Multi-function Remote
 Includes a convenient remote control for flame speed and light controls right at your fingertips.
- 
Year-round Enjoyment
 Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.
- 
Economical*
 Economical to operate. Costing only pennies per hour.
- 
Green
 The green alternative. No harmful particulates or emissions and 100% efficient.
- 
Safe
 Front glass stays cool, making it safe to touch.
- 
Instant Ambiance
 Plugs into any standard household outlet.
- 
Quick Assembly
 Sets up in minutes with step-by-step assembly instructions allowing you more time to enjoy your fireplace.

The stylish curved sides, hearth and mantel on the Martindale recall the sophisticated and inspiring forms of the Art Deco movement. With its combination of bold curves and angularity as well as attractive tiles that surround the firebox paired with the rich espresso finish of the cabinet creates an appealing surface interest.

120 Volts / 1,500 Watts / 5,120 BTU
