

Tanner Media Console

Also available with glass ember bed:
GDS25HG-5309WN

Converts to a corner configuration in seconds
Depth: 29-3/4\"/>

With its glossy black and rich walnut finishes this open concept media console will enhance even the most beautiful rooms. The media console comes with a separate corner attachment and support which can be stored at the back of the console when the unit is used against a flat wall. Combined with the all new, dazzling Multi-Fire XD™ Electric Firebox including ComfortSaver™ heating system and gWave™ gesture recognition technology, the Tanner is a striking addition to any space.

GDS25HL-5309WN

Features

Multi-Fire XD™

The dazzling Multi-Fire XD™ can accurately reproduce a natural wood-burning fire, gas fireplace or a range of ambient light themes that range from moody and hypnotic, to pulsing and vibrant.

Media Bed Options

Choose from Realogs™, molded from meticulously selected firewood, charred and positioned against the back mirror, maximizing the illusion of depth and authentic burning firewood, or chunks of acrylic ice nested on an ember bed of tumbled glass pieces, giving an alluring and shimmering effect.

gWave™

The exclusive gWave™ feature brings the fireplace to life with the wave of a hand; customize the settings then simply wave it on and off.

Floating Display™

Floating on-screen LED display allows you to view temperature settings and functions easily.

Multi-function Remote

Control 100% of the fireplace features from the comfort of your chair.

ComfortSaver™

The patented ComfortSaver™ ceramic heating system uses 11% less energy than the leading quartz infrared heater by automatically adjusting fan speed and heater wattage to safely and precisely match the requirements of the room.

ECO mode

Reduce consumption by 33% with this energy saving setting; limits heat output to 750W for maximum efficiency and quieter operation.

Heat Boost

Quickly warms a room by delivering maximum heat output for a pre-determined amount of time.

Year-round Enjoyment

Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.

Green

The green alternative. No harmful particulates or emissions and 100% efficient.

Safe

Front glass stays cool to the touch.

Instant Ambiance

Plugs into any standard household outlet.
