## Redway Wall-mount Fireplace

Enticing is the only way to describe the Opti-myst flame technology surrounded by the gloss black and grey frame of the Redway wall-mount fireplace. With or without heat, the flame will mesmerize.

Revolutionary ultrasonic technology is used to create the flame and smoke effect of the Dimplex Opti-myst. As the mist rises up through the rocks, the light reflects against the water molecules creating a convincing illusion of flames and smoke. The result is an appearance so authentic it will be mistaken for a true wood-burning fire.

120 Volts / 1,400 Watts / 4,777 BTU
