

Beasley Media Console

Shown here in Dark Roast.

The Kingston brown finish of the Beasley media console, with its flat black accents, enhances the clean, Scandinavian lines of this design, offering equal parts elegance and practicality. A reversed-U center tower frames the glass ember firebox with 3D flame and new floating display technology, while providing a television platform and speaker bar space for the perfect blend of form and function.

120 Volts / 1,400 Watts / 4,777 BTU

Features

- Flame**
A blend of technology, artistry and craftsmanship – the patented Dimplex LED flame technology creates the illusion of a true fire.
- Media Bed Options**
Choose logs molded from actual wood for incredible realism or a tumbled glass ember bed for a contemporary effect.
- Supplemental Heat**
Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central furnace temperature and cut your heating costs!
- Multi-function Remote**
Control 100% of the fireplace features from the comfort of your chair.
- On-screen Display**
On-screen display allows you to view temperature settings and functions easily.
- Year-round Enjoyment**
Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.
- Safe**
Front glass stays cool, making it safe to touch.
- Economical**
Economical to operate. Costing only pennies per hour.*
- Green**
The green alternative. No harmful particulates or emissions and 100% efficient.
- Instant Ambiance**
Plugs into any standard household outlet.
- Quick Assembly**
Sets up in minutes with step-by-step assembly instructions allowing you more time to enjoy your fireplace.
