Willowridge Wall-mount

Gaze into this unique design and experience a Zen-like state of calm and tranquility. Like water retreating across sand, the curvaceous design plays in the light and creates texture that has a mesmerizing quality. The dancing Opti-myst® flame combines beautifully with the rippled surface of the champagne finish surround in a design that is both architectural and organic. With or without heat, the flame will mesmerize.

120 Volts / 1,400 Watts / 4,777 BTU
