

Product Information

Napoleon's new Azure™ 50 linear electric fireplace is perfect for those wanting an aesthetically pleasing focal point in their room without the need for venting. The high power LED lights make it one of the brightest electric fires and can be used in day light or after dark. The Azure™ 50 features two different flame and color settings to match or enhance any room in your home, a generous glass front and a clear glass ember bed to complement the crisp, clean design. The convenient wall hanging installation allows a quick and easy transformation of living rooms, bedrooms, kitchens, waiting rooms and offices.

PRODUCT FEATURES

- 5,000 BTU's and 1,500 Watts
- Simply plugs into a 120V wall outlet
- Features front vents within the sleek design
- Can be recessed into the wall for a flush appearance
- Ultra slim design, 4 5/8" depth makes it one of the slimmest wall mounts in the industry
- Paintable cord cover included (covers cord and can be painted to blend in with existing décor)
- Crystal clear cube ember bed accents the flame
- Features the option of both blue or orange flame, or a combination of both
- Convenient remote control (controls flame intensity, flame colour option, blower, heat output and timer)
- High Power LED lights provide day or night intensity and require no servicing
- Easy access manual on/off switch
- Easy installation with a built-in mounting bracket... simply hang, plug and play
- Suitable for any room including bedrooms, sitting rooms and mobile homes
