

## Product Information

Napoleon's new Azure™ 42 linear electric fireplace is perfect for those wanting an aesthetically pleasing focal point in their room without the need for venting. The high power LED lights make it one of the brightest electrics available making it perfect for both night and day use. The Azure™ 42 features two different flame and color settings which create a variety of looks to match or enhance any room in your home. The convenient wall hanging installation allows a quick and easy transformation of living rooms, kitchens, bathrooms, waiting rooms and offices.
