Dinner & Awards Ceremony

ABOUT THE SCHOLARSHIP

Nicholas Perretti was 27 when he was diagnosed with lung cancer although he was the picture of health. Nick put up quite a fight during chemotherapy and physical therapy. Sadly, he lost his two-month long battle in June 2009.

To honor Nick's life, his parents created a Scholarship Fund at Merrimack College. The scholarship provides assistance to student-athletes who play soccer and exemplify the qualities that Nick did in life. Five scholarships have been awarded.

REGISTRATION FORM

Complete reservations will be honored on a first come, first served basis.
