## McClurg Remodeling & Construction Services December 2010 Newsletter

### Greetings!

Happy holidays!

Central New York is once again aglow with lights, sights, sounds and events to mark the season! The festive atmosphere of the community makes CNY a special place to live. When director Frank Capra visited our region he found the inspiration for his holiday classic movie "It's a Wonderful Life!"

In the spirit of the season, we collaborated with Van Derhoof Roofing to [repair the roof of the Humane Association](#) on West Taft Rd. as our way of giving back to the community. There are currently about 200 cats and 25 dogs at the facility in need of homes. If you're making a gift list, think about adopting a pet and stop by the [Humane Association of CNY](#).

From all of us at McClurg, we wish you and your family a joyous and happy holiday season and all the best in 2011.

Happy holidays!

## Remembering [James M. Luchsinger, Sr.](#)

The McClurg Team wishes to express our sincere condolences to the family of **Jamie Luchsinger**. Jamie was a resident of Onondaga Hill living with ALS-Lou Gehrig's Disease. In 2007, our employees volunteered to work with the Luchsinger family to create a safe, solid, accessible home for Jamie. It was [our version of "Extreme Home Makeover"](#). Over the course of the project we got to know Jamie and his family. We will truly miss him.
