### Greetings!

As autumn begins we are finishing a project for the **Marcellus Ambulance and Volunteer Emergency Service (MAVES)** that will have a major impact on residents of Marcellus, Navarino, Howlett Hill and South Onondaga. A new 4,500 square foot facility has been built for MAVES that includes three ambulance bays, four bedrooms, a meeting room, administrative offices and a day room. We are proud to have been the builders for this project and look forward to the "Grand Opening" of the facility later this month.

We will keep you posted.

## Project of the Month: Camillus Kitchen Remodel

The owners of this Camillus home needed more storage and food prep space. They also wanted to create a sleek, modern kitchen for cooking and entertaining. Dark cabinets and new granite counters offset with travertine tiles, an island with a quartz surface, wood flooring and modern pendant lighting create the look.

## October Blog Articles

This month we will feature articles to help get your home ready for fall and winter. Learn about:

- Design ideas for half baths.
- Sheds and other outdoor storage solutions.
- How an exterior entryway renovation can transform your home.
- Care and maintenance of hardwood floors.

Look for our e-mails **every Tuesday** with a link to the full article.
