Greetings!

Family gatherings make home a special place where we have our fondest moments with those we love. Most of us are looking forward to sharing Thanksgiving dinner with our families. Everyone seems to congregate in the kitchen to talk to the host, lend a hand and enjoy the aromas of food being prepared.

This month our blog articles and Project of the Month feature kitchen projects. If you are thinking about remodeling your kitchen, you may want to read articles posted by Manlius homeowner **Mary Karpinski** who is in the process of remodeling her 1958 kitchen. Mary will also share photos of the project on our [Facebook](#) page.

We wish you a happy Thanksgiving holiday.

Project of the Month: Liverpool Kitchen Remodel

New countertops, appliances, a contemporary tiled back-splash and flooring turned this Liverpool kitchen into a functional, stylish space for the homeowners. The oak cabinets were updated with new pulls. Adding a wood floor to the kitchen and refurbishing the worn wood flooring in adjacent areas unified the home.
