

# Streamline your office, maximise productivity

Samsung's focus on high specification and quality colour prints has shaped the development of this multifunctional printer range. When your business demands high performance levels of printing, scanning and copying the Samsung CLX-6250FX range is an ideal option. The Samsung CLX-6250FX range offers consistently outstanding colour prints, copies, scanning as well as minimising operational costs.

## Connect with your colleagues

Connect everyone in your office to one network and keep everything running smoothly. They'll share a common printer and you'll save time from servicing multiple machines. And with the Ethernet interface you can increase your performance by hooking it up to the network. Improve your communication skills with the CLX-6250FX laser printer and keep your lines of communication open.

## Take the guesswork out of printing

Has communication been an issue in your current printer relationship? It's time to move on. With the CLX-6250FX's big, bright display, you'll never again have to guess at abbreviations and error codes. The CLX-6250FX tells you its status in crystal - clear lettering on a 4-line LCD screen, twice the readable space of typical printers. Finally, a printer that actually speaks your language.

Speedy printing from the very first page

Quit spending your life waiting by the printer. The CLX-6250FX's industry-leading first page out time will have your first high-quality print in your hands in as little as 17 seconds. With its rapid 24-24 page-per-minute print speed and professional-grade resolution, you'll get print shop quality in the convenience of your own office. The only problem? What to do with all that new found time.
