# Group Registration

For Workcamp, Home Sponsorship, or Project Sponsorship commitments complete the registration form, including your date preferences, and return it to the Habitat office. A Coordinator will discuss date and location options for your group. Week-long groups are typically scheduled 3–5 months in advance.

For one-day commitments, contact the Resource Development Department for available dates; then complete the form, making note of your scheduled day(s), and return it to the Habitat office. One-day groups are typically scheduled 4–8 weeks in advance.

#### **FINANCIAL CONTRIBUTION**

In addition to labor and donated materials, Twin Cities Habitat for Humanity depends on the financial support of volunteer groups to help defray the costs of construction. A donation corresponding to your level of participation is vital to Habitat's mission of making decent affordable housing for all people a reality.
