

Amazing Awards – OnDemand

If you're looking for a turnkey performance improvement solution, look no further than HMI's OnDemand Awards Platform. It's a one-stop shop for redemption that offers personalized travel programs, special event ticketing, thousands of merchandise awards from recognized name brands, and much more. When your customers, salespeople, and employees have the ability to choose how they're rewarded, be it for continued loyalty or exceptional performance, everybody wins.

THE ONDEMAND ADVANTAGE

All of HMI's incentive solutions begin by establishing real, achievable goals that are suitable for any budget or demographic. These are the goals that are proven to motivate participants while at the same time increase your company's mindshare, market share, and ultimately, your bottom-line.

HMI's programs leverage user-friendly technologies to provide an effective online platform for administration, communication, and award redemption. It's interactive, straightforward, and best of all, it keeps participants engaged steadily from the start. In addition, our client services coordinators are conveniently available to assist with any redemption and fulfillment needs. We also offer updated, real-time pricing and availability, which means you'll receive the best possible value and service throughout the entire redemption process.
