

ORCHID PROGRAM

ORCHIDS ARE TYPICALLY THE FLOWERS THOUGHT OF WHEN SPEAKING OF BEAUTY AND LOVE. HOWEVER, THEIR EARLIEST MEANINGS ARE OF CARING, HEALING AND THOUGHTFULNESS. THE ORCHID WAS USED FOR CENTURIES AS A HEALING AGENT IN MANY CULTURES INCLUDING THE AZTECS AND THE CHINESE.

THIS PROGRAM IS AN EFFORT TO MAXIMIZE THE CARING AND HEALING WE CAN DO TOGETHER WITH THOSE PEOPLE WHO NEED IT THE MOST.
