

**Old Colony Hospice Golf Classic X**  
brought to you by Oppenheimer Funds,  
a MassMutual Financial Group Company

This year's 10<sup>th</sup> Anniversary tournament was a great success for the patients and families we serve because of the wonderful outpouring of support we received from the golfers, the sponsors, the auction donors, volunteers and golf ball drop raffle purchasers!

Over \$85,000 was raised to help bring comfort, compassion and support to each and every patient we have the great privilege to serve. Thank you to everyone who helped to ensure that our staff can meet the needs of the patients. ***You made a difference.***

Take a look at the great photos provided by Rich Morgan Photography and volunteer photographers Sara Ricker and Bayla Werman. They captured some great moments.

Our sell out tournament tee'd off with 144 golfers at Thorny Lea Golf Club in Brockton on a beautifully sunny Monday in August. There was something for everyone. We had a scavenger hunt; Hole-In-One Contests from Audi of Norwell; Goslings Rum Sampling; Yasso Frozen Greek Yogurt Sampling; Hit the Green Contest from Costco Wholesale in Avon; Kayak Cookies from Sandie Owen of Wellington Group, special contests featuring members of the Bishop Feehan Varsity Golf Team and so much more.

The day concluded with lots of fun too – our 2<sup>nd</sup> Helicopter Golf Ball Drop, the \$5,000 Putt Off, scrumptious buffet dinner at the clubhouse, great silent auction, the Day of Comfort pledge program and the talented Jazz Combo from Foxboro who donated their time to perform for our guests at dinner.

Thank you to all of the golfers for their participation and congratulations to the winners of the tournament and contests.
