Presenter: Mike Jaffe

Old Colony Hospice is proud to present our Sixth Annual Educational Symposium entitled "Wake Up! And Live Powerfully: Turning Intention into Action." We are thrilled to welcome Mike Jaffe, nationally-recognized speaker, seminar leader, business and personal coach and author. A 9/11 survivor who has transformed his life, Mike serves as the "The Human Wake Up Call" by using his own brush with tragedy as a message of self-discovery and empowerment.

Mike is the author of **"WAKE UP! Your life is Calling. Why settle for FINE when so much more is possible?"** Designed to challenge unspoken assumptions and limitations, this program provides participants with a roadmap for making real, lasting change in their lives and businesses. Participants experience an astonishing shift in perspective accompanied by a sense of urgency that will sustain their ongoing actions.

We will be providing continuing education credits to nurses and social workers who attend this program. Our symposium has been growing each year and we are anticipating a large audience of 300 + this year.

Join us for an evening of education, fellowship, great food and..... some early holiday shopping! The Exhibitor/Vendor Hall opens at 4:30, followed by dinner at 5:30 and the program at 6:15pm.

There is a registration form on the reverse of this newsletter——feel free to copy and share.

We greatly appreciate your consideration of this event!
