For all pleasure craft, power or sail, Regatta Yacht Fabrics with Rain Kleen® finish provide the best answer for fabric accessories such as boom awnings, Bimini, sun, navy and convertible tops, curtains, dodgers, enclosures, cushions, mooring and protective covers of all types.

Regatta Yacht Fabrics are designed specifically for the rigorous top side exposure and below deck conditions of boating.

Weblon is a lamination of two plies of specially formulated vinyl with an inner reinforcing core fabric woven from high tenacity polyester yarns. Weblon's exclusive Rain Kleen® finish on the weather side provides ease of cleaning, prolongs the life of the fabric and adds to the pleasing appearance of the surface.

Regatta's extreme strength and multidirectional stretch resistance, including the bias direction, affords superior contouring and lasting, trim fit.

WIDTH	62"
ROLL SIZE	50 Yd.
TOTAL WEIGHT	13 Oz. Sq. Yd.
TENSILE (Lbs. In.)	W 243 F 183
