3D Insiders' European Forum 2015
Experience matters. Get hands on.

October 14-15, München, Germany

A G E N D A

Wednesday, October 14

9:00-13:00	Registration	One-on-One Meetings	One-on-One Meetings
12:00-13:00	Lunch		
13:00-13:10	Welcome and Introduction		
13:10-13:30	Industry 4.0 - Technology changes and the Manufacturing industry		
13:30-14:10	The Spatial Portfolio: What's New and What's Next		
14:10-14:50	3D ACIS Modeler: Updates, Futures		
14:50-15:00	Break		
15:00-15:45	3D InterOp		
15:45-16:15	HOOPS Visualize: Upgrades, Road maps and Mobile Support		
16:15 -17:00	CGM: Feature Recognition and working in a Multi-CAD World		

Thursday, October 15

7:45-8:45	Breakfast			
8:45-9:30	Innovations Realized: Customer Experiences			
9:30-10:15	Modeling: What's Next for 3D?			
10:15-10:30	Break			
10:30-11:15	3D InterOp: Scalability			
11:15-12:00	3D Modeling Tips to improve your application results (ACIS, CDS, Defeaturing, and more)			
12:00-13:00	Lunch			
	Training Classes			
13:00-15:00	Hybrid modeling; Adapting an application to leverage the latest capabilities	Interoperability: Flexible import – only what you need when you need it; managing PMI, other performance tips	One-on-One Meetings	One-on-One Meetings
15:00-15:15	Break			
15:15-17:15	Interoperability: Flexible import – only what you need when you need it; managing PMI, other performance tips	Hybrid modeling; Adapting an application to leverage the latest capabilities
