Position Title: HEDIS Abstractor (RN, LPN or Certified Coder)

Status: Contract

FLSA: -

Reports to: Director of Clinical Review

Location: Anywhere in the United States

Company Overview: Health Data Vision, Inc., is a fast growing tech company that provides a SaaS-based healthcare analytics platform for medical records analysis and targeted solutions for HEDIS® Hybrid, Medicare and Exchange Risk Adjustment and comprehensive, year-round clinical data analysis efforts as well as RADV Audits. The platform provides flexible scalable workflows and automation for medical records-intensive project needs of health plans in the United States.

Job Summary: The HEDIS abstractor is responsible for the review of medical records and documenting critical elements in HDVI's data entry system (MRCS).

Responsibilities Include:

- Reviewing medical records to capture appropriately documented numerator events (e.g., blood pressure readings, eye exams, cervical cancer screenings, etc.)
- Applying appropriate codes to indicate any issues with documented findings.

Preferred Skills:

- Ability to adapt to changing priorities in managing a wide range of projects.
- Must be able to work independently and in a team environment.
- Excellent written, communication and presentation skills with the ability to explain and write complex information.

Required Experience / Education:
- Active RN, LPN license or certified coder from either AAPC or AHIMA.
- Minimum of 1 year HEDIS abstraction experience.

Interested Candidates should send a resume to: careers@healthdatavision.com
