15:30	7:30 AM	10:30 AM	Keynote by David Den Boer	Welcome to the second year of virtual conferences as part of the EPM Summit Program. At Column5 we are committed to a focus on EPM and BPC related topics. Taking advantage of our EPM Summit Program gives you a great opportunity to learn from our research and ongoing focus, as well as stay up-to-date with best practices. Column5 CEO David Den Boer will provide an update of the current state of EPM, and give you a preview into the year to come.	David Den Boer
16:00	8:00 AM	11:00 AM	How to Build an EPM Center of Excellence	Competency Center, Center of Excellence, whatever you want to call it - we believe EPM is a mission critical business process, warranting a specialized organizational structure charged with maximizing success with your EPM program. This session will discuss key elements of how to get this group launched.	David Den Boer
17:00	9:00 AM	12:00 PM	The Case for an EPM Roadmap	There is a strong correlation to having an EPM roadmap and achieving value with EPM. 75% of companies do not.	David Den Boer
18:00	10:00 AM	1:00 PM	Budgeting/Forecasting Solution Briefing 1	Review the key components, decisions, and unique features of a successful implementation.	David Jones
19:00	11:00 AM	2:00 PM	Functional View of The Right Model	A high level architecture of the model and what it takes to put it in place.	Mike Sullivan
20:00	12:00 PM	3:00 PM	Making Sense of EPM Technology Choices Today	The marketing machine is in turbo mode and executives are being hit with messages about the latest 'must have' technologies. What investments are very important, and what are going to be challenging to break even?	David Den Boer
