

ON TRACK FOR EXCEPTIONAL RESULTS

COMPLETE LINE FOR SINGLE SOURCE PRODUCT

Essentia® by Cree Track Lighting offers a full selection of track, heads, gimbal rings and accessories that make it easy to build a complete track lighting solution.

FLEXIBILITY FOR MAXIMUM APPLICATION

Essentia® by Cree LED Track Lighting is available in one- and two-circuit track systems and heads for increased design flexibility. Field interchangeable optics offer beam control flexibility.

WELL DESIGNED AND WELL MADE

Precision-engineered optics result in beautiful beam spreads while light is cast smoothly eliminating fringing, hot spots and discoloration.

COMPATIBILITY FOR EASE OF USE

Essentia® by Cree LED Track Lighting offers easy upgrades for legacy track heads to Essentia® by Cree fixtures in black and white finishes. Compatibility with prevalent one- and two-circuit track systems expands use options and energy-efficient LEDs enable greater track lighting capacity.
