

PUT YOUR BEST ASSORTMENT FORWARD

A major challenge you face as a wholesaler is how to set your line apart from your competitors'. You are all vying for a finite bucket of open-to-buy spend. How can you be sure you are presenting the right mix of styles, colors, and attributes at a cost that will drive maximum bookings?

GET CLOSER TO YOUR RETAILER'S CUSTOMERS

by incorporating the Voice of the Customer when selecting and pricing new products.

REDUCE UNPLANNED VENDOR ALLOWANCES

by more accurately forecasting product demand, AUR price and margin for each item.

GROW YOUR COMMITMENTS

by arming your sales team with customer-driven insight into how your products compare to your competitors'.

Arm your Sales Team with Customer-Driven Insights

Invite customers to evaluate upcoming collections through branded online engagements.

Identify item preferences for each retailer's customers.

Build your recommendation assortment.

Item Summary Reports

help you understand how specific products – including your competitors' – will perform in each retailer, retail class, and buyer segment so that you can build optimal assortments.
