Alpha™ 300 Series message system is one of our most versatile displays.

Adaptive's ALPHA™ 300 Series is one of our most versatile single-line indoor electronic message displays.

The ALPHA 300 Series provides constant employee communication. Post real-time information, boost morale, or advertise company-wide events, birthdays and anniversaries – all from your desktop PC or easy to use handheld keyboard.

These versatile displays keep you connected with employees company-wide throughout the day. Easy to program and visually superior.

Features:

- 3.1 inch Character size
- 2 Length options available
- One year USA Factory Warranty
- Stores & displays up to 96 messages
- 5 operating speeds
- Keyboard programmable from 30 ft.
- 8 Brilliant colors & 3 rainbow effects
- 6 character fonts

Ease of use.

Messages can be easily entered using a hand-held IR keyboard. Within seconds, the user can create exciting visual announcements.

Easy networking.

In applications requiring multiple units to communicate important information, Alpha displays can be connected to a PC to form a powerful integrated visual information network throughout your building.
